

Senior Management Accountant

Idox
Glasgow

About the role

We are recruiting for a Senior Management Accountant to join our Group Finance team based in Glasgow city centre. The role of 'Senior Management Accountant' is a varied and exciting role, which will provide the candidate with sufficient challenges and opportunities to develop upon their existing accounting skills.

The candidate will be exposed to a fast-paced, acquisitive and ever-changing corporate environment. The role will report directly to the Finance Manager but will also involve contact with the Chief Financial Officer and communication with operational staff, based globally.

Your responsibilities will include:

- Overall responsibility for group management accounts in line with month-end timetables
- Act as the main finance contact for divisional management
- Preparation of monthly revenue in line with IFRS within group deadlines
- Provide support to junior members of the management accounts team
- Oversee preparation of monthly CFO report
- Oversee all group analysis
- Significant involvement in group audit and accounts preparation
- Responsibility for a number of foreign subsidiary statutory accounts
- Significant input into ERP system improvements plan
- Continuously identify and implement business process improvements
- Other ad hoc work as required such as tax assistance, budget preparation etc.

Person Specification

What would make someone successful in this role:

- Qualified accountant, ICAS or CIMA
- At least 3 years post qualified experience
- Confident communication skills as you will be speaking to operational staff on a daily basis and challenging them where necessary
- Team player used to working in a fast moving environment
- Good analytical skills and attention to detail
- Motivated individual willing to take responsibility
- Must be able to work to tight monthly deadlines and strict reporting deadlines.

About idox plc

Idox is the leading applications provider to UK local government for core functions relating to land, people and property, such as its market leading planning systems and election management software. Idox has many offices across the Country and therefore travel may be required

The Benefits

This post commands a competitive salary depending upon experience, along with an excellent benefits package.

How to apply

Applicants should submit a CV, and a short cover letter (*maximum 500 words - including salary expectation, and current remuneration*) explaining why they feel they would be suited to this role to Join.Us@idoxgroup.com.

Please note successful applicants will need to satisfy the BPSS guidelines (Baseline Personnel Security Standards) which consist of the receipt of satisfactory references covering the last 3 years of employment; an identity check; verification of eligibility to work in the UK; and a Basic Disclosure Check. This is in order to help us make safer recruitment decisions and prevent unsuitable people from working with access to personal and sensitive data.

Privacy Notice

As part of the recruitment process we will collect data about you in a variety of ways including the information you would normally include in a CV or a job application cover letter, or notes made by our recruiting officers during a recruitment interview.

Please read the Idox Recruitment Data Privacy Policy here <http://www.idoxgroup.com/privacy.html>
